

AFP Dallas Chapter Mentorship Program Application for Mentors

The Association of Fundraising Professionals (AFP) represents 30,000 members in 213 chapters in the United States, Canada, and Mexico, working to advance philanthropy through advocacy, research, education, and certification programs.

The goal of the AFP Dallas Chapter Mentorship Program is to foster peer-to-peer relationships between new and seasoned fundraising professionals. It is expected that a minimum of 1-hour per month should be dedicated to meeting with your mentee to help advance their professional goals as a fundraiser. We will review your application to find an appropriate match given your background and interests. Mentors should have 5 years or more experience in fundraising.
