

Promote your product or event with a hosted email blast!

If you would like to reach the Greater Dallas Chapter AFP membership and general email audience of over 900 unique addresses, consider sending a hosted email blast. The event, program or product advertised must be related to the philanthropic community.

Send your copy (250 words, subject to approval) and up to two jpg or png images and the Greater Dallas Chapter AFP will do the rest. You'll see a proof copy before the email goes out and be able to schedule the email blast date and time (10 working days' notice required and not all days may be available).

COST: \$500, invoice due upon receipt.

For more information email afpchapteroffice@afpdallas.org, or call 972/233-9107 ext. 204
